Avail™ Open Space Solution  
Avail 开放空间解决方案

## The Avail Open Office Story. Avail 开放式办公的理念

We believe the right workplace amplifies the potential of any business. By enabling workstations to adapt, spaces to flow intuitively, and shared and private spaces to balance evenly, we enable better communication and provide a sense of harmony that leads to higher productivity, happier people and healthier profits.

我们相信，恰到好处的的工作环境可以大大提升业务潜力。当各工作岗位高度配合、各类空间直观呈现、共享及私人空间达至最终平衡，我们便得以进行更有效的沟通，在更和谐的架构之下提高生产力，增加幸福感，让创收成为良性循环。

## Efficiency. 高效热忱

An efficient workplace is a more effective workplace. Greater accessibility and mobility help you achieve more with less by making better use of your available space. This enables increased headcount, reduced clutter, clearer focus, enhanced productivity and profitability.

良好的工作环境中，高效率创造高效益。当业务资源有了更高的易用率及流动率，便能够超效利用有限的空间以少创多。带来人员增加、紊乱减少、重点明确、生产力提高、利润上涨。

## Flexibility. 灵活实用

Adaptability, versatility, customization – these are the keys to a modern, multi-functional workplace. It also makes a more future-friendly environment. Office flexibility ensures that your space can evolve with the needs of your business.

适应性强、通用度高、可定制 — 是一个现代化多功能工作环境的重要标志，也是未来工作环境的发展方向。办公灵活性能够确保办公空间随业务需求的变化而变化。

## Collaboration. 明确协作

People achieve more when they work together. It's really that simple. And it really works. Whether it's quick, spontaneous meetings or large inclusive workshops, people need spaces to communicate, to work together and build the sense of community that drives businesses.

团队协作令创造更丰富。无论是即兴的互动会议还是大型的工作研讨会，人们都需要有一个可以满足各类需求的空间以进行沟通与合作。这有利于凝聚整个团队，员工间产生更强的信赖感，从而促进公司的发展。

# Ultimate Simplicity. Infinite Possibilities.

Every business is different, and every office has different needs. But that doesn't mean all the parts need to be different too. Here are a few examples of what you can achieve with just a few simple components from the Avail Open Office Collection.
