## The Perfect Fit for Every Office

Verta's performance-driven build complements all manner of work. The chair's ergonomic design offers immediate physical relief from long hours in the workplace, while enduring comfort allows for lasting focus. Also available in leather, Verta's distinctive style presents a refined look that blends well with a wellbeing-focused workplace.

Fully adjustable arms embrace your back

Contour seat to support your legs

Innovative weight-activated chair motion balance your whole body

## Embrace True Comfort

We've designed Verta with your body in mind. No matter your size or shape, our contoured back and adjustable seat offers support for the human frame, aligning with a variety of vertebral forms and offering even distribution across pressure points. The distinctive V-shape design presents a solid base of strength and structure, while also allowing for endless flexibility. Verta offers true flexibility for your comfort.

**Headrest Adjustment**  
Ensure the most comfortable posture by adjusting to your own angle and height.

**Lumbar Support Adjustment**  
Adjust height in range of 6cm to ensure comfort for different body shape.

**Weight-activated Synchronized mechanism**  
Adjust recline tension automatically by sensing your body weight.

**Seat Depth Adjustment**  
Adjust the depth up to 5cm to optimize comfort.

**2D/4D Armrest Adjustment**  
Adjust arm width, arm angle, arm height or arm depth.
