Your Space Refreshed

:: ARRAY _ FAMILY :::::

A Family that Works Together to Refresh Your Space

Array refreshes your space. Simple yet striking, the Array collection is a comprehensive family of chairs offering a unified and inspiring look for your workplace. Seamlessly blending comfort, versatility and ergonomic functionality, they're available in a series of aesthetically pleasing colors, making it the perfect choice for any modern work space.

Added Comfort for True Collaboration

Both comfort and contentment are essential to strong collaboration in the workplace. Array ensures you're always in a pleasant mood, through its simple but sturdy light-scale design. Array embraces the work day for you, presenting a solid base for both collaborations and interactions.

Focused Ambition

Array is the ideal choice when it comes to workplace focus. Through its intuitive ergonomic design coupled with everlasting performance, it safeguards health while also ensuring true comfort. Fresh ideas and focused concentration are Array's true calling, making stressful work situations a thing of the past.

Ideas and People Blending Together

Meetings are made for interaction. Creativity, communication, brainstorming and thought-processes - Array Conference Chairs support your every idea, balancing multi-tasked activities and a variety of work styles, to present cohesive interaction. Continuous comfort over extended periods of time ensures concepts are constantly flowing, fostering the kind of interactions most workplaces dream about.

Comfort for True Productivity

Long desk hours can lead to exhaustion. Array solves all fatigue problems through its sleek but fully integrated functional design. Made with the human body in mind, its soft inner seating furnishings are always pleasing and care for your health. Array offers unparalleled comfort for endless productivity through its blend of soft furnishings, supportive design and effortless style.

A Chair for Everywhere

Array is up to every type of work challenge, from focused work to collaborative groups. Set either at seat-level or stool height, the chair integrates seamlessly into modern workplaces, by offering support and security through every manner of task.

Product Highlight

Adjustable Headrest
Adjustable headrest relieves neck tension while finding the right level of comfort and support.

Adaptive Seat Depth
Seat depth allows the seat to be positioned either forward or backward at ease for long-term comfort.

Flexible Arms
The flexible arms move in all four directions, offering perfect alignment of every task: forwards and backwards, upwards and downwards, it moves along every axis.

Adaptive Lumbar Support
Adaptive lumbar support relieves back pressure, accommodating to the changing needs of the spine.

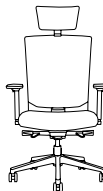

Relaxed Footrest
The 44cm-wide footrest platform noticeably relieves foot pressure and discomfort from long sedentary periods.

Elasticity Support
Infused with high-tech elasticity, the chair base supports the body's many ergonomic movements across the regular workday.
