

# Plaza

Comfort. Effortless Interactions.

## Simple Aesthetics. Complementary Comfort.

Plaza is an essential chair for office spaces, optimally created for any possible workplace environment. Whether it's shared benches, open-spaces, small group meeting areas or large conference rooms, its contemporary elements present a simple aesthetic look that effortlessly adapts to the space you're in and the different type of work you do. Combining aesthetics, performance and comfort, Plaza is the perfect chair for your workplace.

## Aesthetics Enhanced for Effortless Interaction

Plaza fits into every work space. Easy discussions in a conference room, distant learning and brainstorming group sessions in a meeting – Plaza is your definitive chair, a clever choice that blends communication, interaction, comfort and visual appeal.

Product Highlight

**Advanced Breathable Mesh**

Your body is kept cool and comfortable through Plaza's high-elasticity German mesh. Made with durable nylon fiber, it enhances air circulation and moisture absorption.

**Streamlined Seat Cushion**

Designed to easily adapt to the natural seated posture, the streamlined seat cushion offers comfort for extended periods throughout the day.

**Top-notched Intuitive Synchronized Mechanism**

Ergonomically designed, the Plaza includes an external Intuitive Synchronized Mechanism, allowing the chair to be easily moved into the recline position at the pull of a lever for comfortable seating.

**High-tech Intuitive Adjustment**

With its simple design and advanced engineering, the Intuitive Adjustment combines state-of-the-art ergonomic functions and technology that supports your every task and gesture.
