# born

## Born to Achieve

High achievers transcend passions or professions, balancing the strength to overcome challenges with an agile mindset. Born exemplifies these elements across its distinctive bench design – sloped chamfered-edge screens and surfaces dynamically adapt to all environments, while wide-angle legs demonstrate strength. Born for high achievers, born to achieve.

born  
Born to Impress

#### Looks as Good as It Works

Born unifies exotic design with soothing structures. Featuring wooden tones and nature-inspired shades, with accents conceived for aesthetic relief – from smooth frameless screens to performance-enhanced athletic legs and edges all gently contoured.

### Functionality Across the Board

Peak performance, distilled into a multifunctional bench. Streamlined aesthetics and a dual-chamfered surface edge reveal functionality – quick power access, fabric and ultra-clear glass screens for sharing innovations.

### Elements that Move with You

Born's distinctive design epitomizes contemporary minimalism. A striking profile showcases semi-private screens for enhanced productivity. Structured monorails are multifunctional, serving as everything from planters and stationery trays to magnetic chargers and drink holders.

### First Impressions Are Everything

Elegant design and an exceptional build – Born embodies functionality and flexibility. The collaborative workspace is both lively and fun, featuring signature and innovative monorails that effortlessly allow for planters as well as trapezoid shared shelves.

## Born to Succeed: Benchmarking the Future of Work

Trends to technology – our workplaces have been ever transformed. Born redefines how you work, the dynamic desk intuitively adapting to activity-based environments through exceptional design functions. Communication and collaboration is elevated, productivity amplified, health & wellbeing heightened, and a sense of belonging naturally forms – driving success for both individual and collaborative work.

## Flexibility for Fluid Teams

Born creates a culture of energy. Designed to adapt to fluid spaces, it empowers people to move freely and find a workstyle that suits their mood. By delivering flexibility for diverse workplaces, the bench supports agile teams in fluid environments, for maximized productivity and engagement.

# Productivity In-Focus

Born transforms based on your desired layout, delivering privacy when it's demanded and team settings as you need. Individual work is centered around comfort, where energy and efficiency are amplified. Born fulfills the modern expectations of flexibility, for the future for workspaces.

## Curated to Boost Efficiency

Visually satisfying workspaces aid engagement and collaboration – Born Premium presents an alluring, versatile colored profile, flexibly configured and curated to boost efficiency. Energy is enhanced, creativity channeled, and spiritual wellbeing defined.

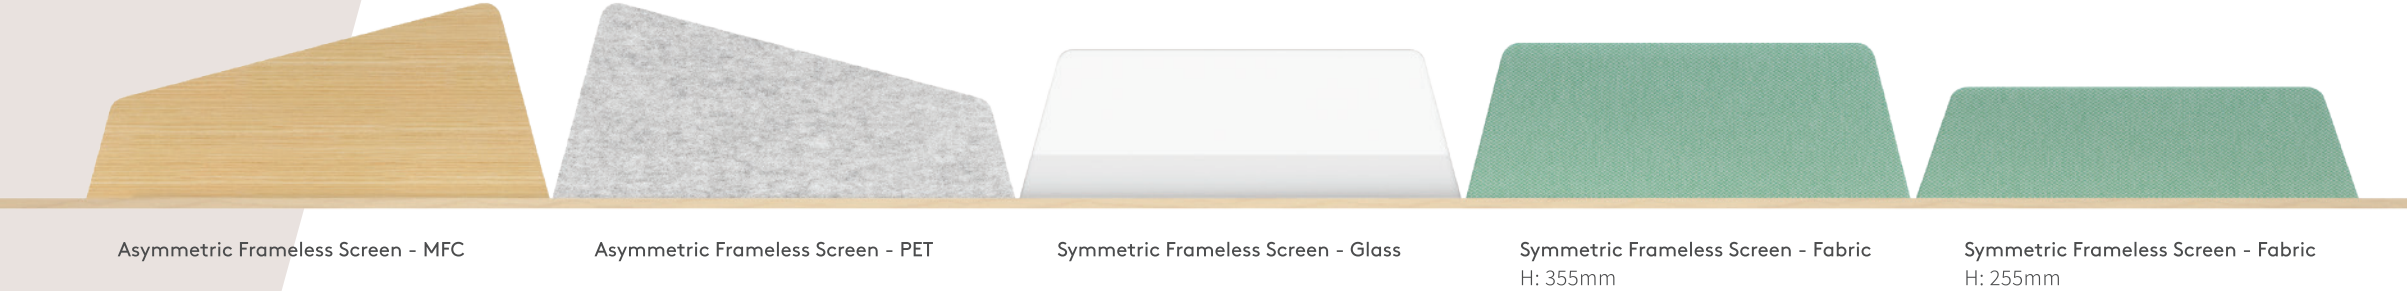

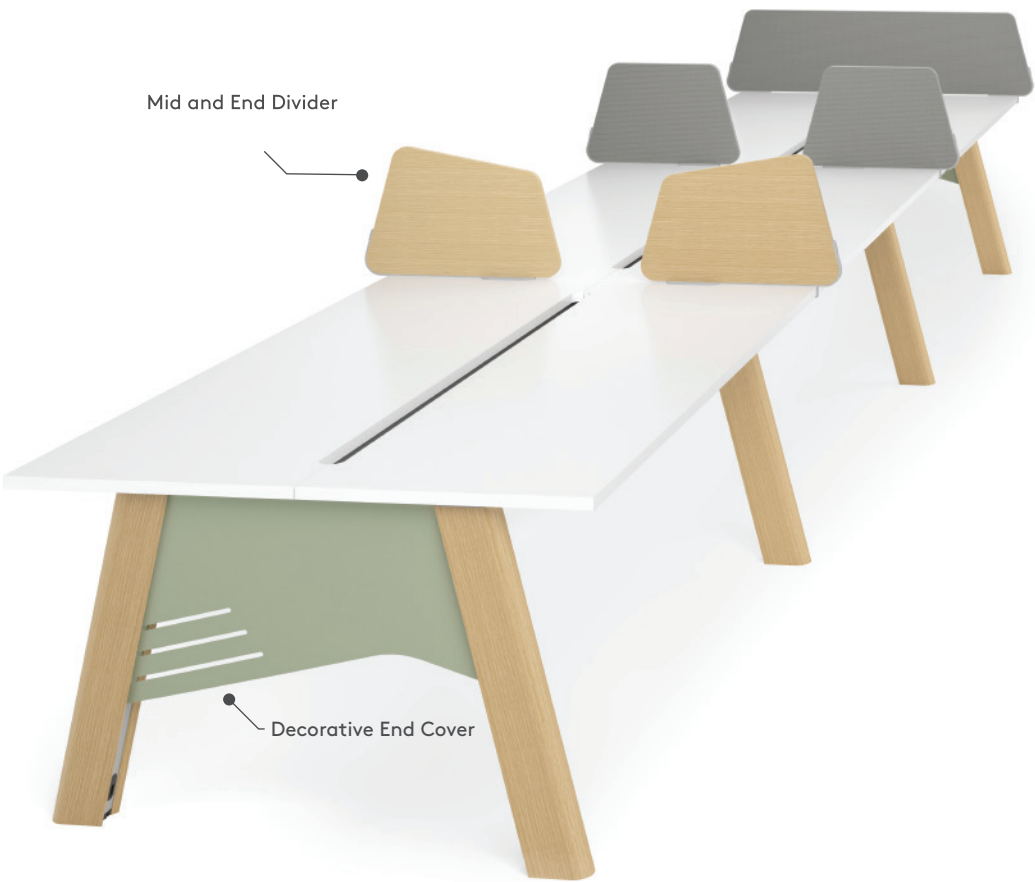

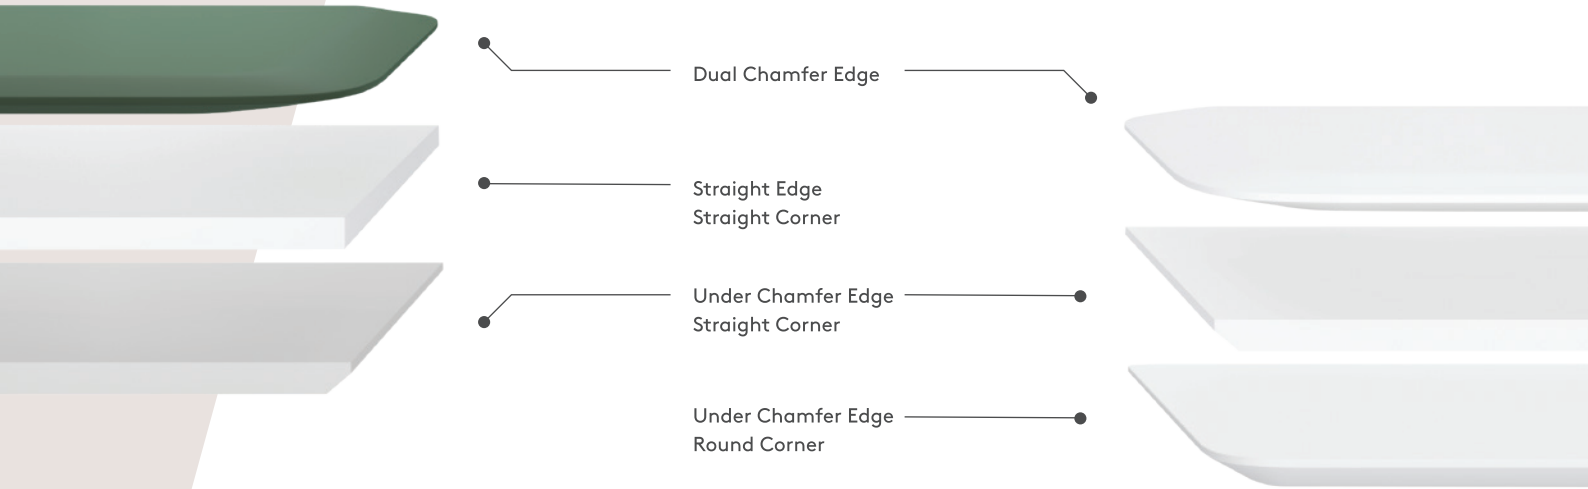

# Born: Dynamic Formations

Born shapes spaces – innovative, versatile and stylish, the community-friendly workspace allows for limitless possibilities, with privacy screens, multiple leg options and subtle chamfered edges.
